**\* Indicates must have supplies.**

**Watch for Hobby Lobby and Michael's art supply sales and coupons. They can be had online as well as in the Caller-Times.**

Students will learn drawing, composition, color theory, paint mixing and handling of materials along with how the famous artists of the past have influenced our art today. Subject matter will include still-life setups, landscapes and figures. Choose your own photos or choose subject matter from magazine pictures. My painting style includes figurative, plein-air (painting on location) and impressionism.
