## JUDGE'S STATEMENT

**CAREY C. ROTE, PROFESSOR—TAMUCC**

"The Independents Show of 2009 contains many interesting and well-crafted works. The broad range and great variety of the works made prize selection difficult. I encourage all of these great local artists to continue in their pursuit of artistic expression. The wide variety of styles and materials also showed the tremendous ingenuity of our talented Coastal Bend area artists."

## INDEPENDENTS COORDINATOR
