César Martínez, Juror

Originally from Laredo, Texas, César Martínez studied art at Texas A&I University in Kingsville and got his Bachelor of Science degree in All-Level Art Education in 1968. He was drafted into the US Army in 1969 and after serving in Korea, he was honorably discharged in 1971. Since then, he has lived and worked as a professional artist in San Antonio. His interest and involvement in the Chicano political movement led his work to the Mexican American and Chicano cultural explorations and themes for which he is now well known. He has exhibited widely at the national and international level. In 1999, Cesar Martinez had a retrospective at the McNay Museum in San Antonio and his work is amply represented in many private and public collections, including the Art Museum of South Texas, the Houston Fine Arts Museum, the Austin Museum of Art and the McNay Museum, among others.

THE ART CENTER RETAINS A 40% COMMISSION ON GALLERY SALES.
