BARRY BROWN CLAY STUDIO

Clay Studio Group

**A Full Service Clay Studio
Offering Classes and
Facility use for Artists**

The Barry Brown Clay Studio, Art Center of Corpus Christi, was created to provide a dedicated studio for the use of the clay medium by clay artists and to teach students of all ages the techniques, skills and procedures required to make traditional pottery and create sculptural artwork from clay.

The clay studio was conceived in 1999 by the Southwest Sculpture Society. The Barry Brown Clay Studio, as it is now known, is open to the public thru membership in the Clay Studio Group, or participation in any of our various clay classes. Clay Studio Group members have use of the Clay Studio facility outside of class time. The **Clay Studio Committee**, an elected group of volunteers, maintains the Clay Studio Facility and the Clay Studio Group membership.
