## JUROR: JIMMY PEÑA

Jimmy Peña was born and raised in Corpus Christi, Texas. A self-taught artist, he joined the Army in 1980 and started by painting murals at two of his duty stations. After spending, three years in the military, Jimmy came back home and painted several murals at several restaurants around town. His favorite painting was at La Pesca, which is now the Vietnam Restaurant. In 1998, he became a member of the K Space Art Studios, and is now a co-manager. He has had several one-man shows and has also been a juror for a statewide show in Austin, Texas.

A portrait of Jim Croce, painted in 1975 when Jimmy was 15 years old.
