MEET THE JUROR

LYNDA A J JONES

Lynda Jones is a native of Texan and grew up in the Rio Grande Valley in the city of EdCouch. She graduated from with a bachelor's degree from South West Texas and earned a Masters of Art in Independent Studies from Texas AMUCC.

She was the Chair of the Visual Arts Committee for the Corpus Christi Arts and Cultural Commission and held that position at various times for a total of 17 years. She was a Trustee of the Art Museum of South Texas for 6 years and chair of the Art Museum Exhibits Committee for 6 years.

She taught art in the Corpus Christi Independent School District for 36 years and was the founder of the National Art Honor Society in Corpus Christi. She also began the Advanced Placement Art program in Corpus Christi Independent School District.

During all of the above, Lynda created her art. She is an environmental multi-media artist. Her works tend to be evocative of nature, experimental, whimsical and sometimes functional. She has penchent for the discarded. She looks for the aesthetic potential of everyday abandoned objects.

Her purpose is to re-purpose discarded, disposable objects. While doing this, she helps conserve nature by keeping these items out of the landfill and off our beaches. She resurfaces these disposables or embeds them in epoxy to create sculptures that often resemble the body of water that she lives near.

Her work is held in private collections and can be seen at Space by RBI Gallery and Wilhelmi/Holland Gallery, Corpus Christi, Texas.

As a member, you can always have your art for sale!
